Dear Brothers in Christ,

In order to insure that the Birmingham Cursillo Movement continues to grow as a movement we need your comments and suggestions. While the weekend is still fresh in your mind, spend a few moments in prayer and then share with us the positive points of the weekend and a few negative points. Think about all the aspects of the weekend: the team meetings, the rollos, the posters and summaries, the liturgies, the music, the commitment service, and the closing. Think about the moods of the weekend. We would like to have as many positive responses as negative responses, so keep your comments balanced. Send your responses to:

Greg Tucker

13020 Astalot Drive

Huntsville, AL 35803-1802

Keep the next weekend in your prayers and don't forget the next Ultreya in your area. The new cursillistas will be there and they need to see our support for the whole movement. Also indicate in your letter when you would be willing to work another weekend. The Lord needs all of our talents to complete His mission. Don't let Him down.

Peace be with you,

Greg Tucker
